#### Committee Business:

Between now and midnight February 28, 2007, the Legislature's Joint Appropriations Subcommittees and its Executive Appropriations Committee will meet as needed to consider and prepare the state's budget. Because these meetings may be urgently required and because the times when the meetings are required are unpredictable, this notice constitutes public notice of those meetings for purposes of the Open and Public Meetings Act. The Legislature intends, where practicable, to specifically and publicly announce the time, date, and place of any of those Executive Appropriations and Joint Appropriations Subcommittee meetings.

In compliance with the Americans with Disabilities Act, persons needing auxiliary communicative aids and services for these meetings should call Cassandra Bauman at 538-1032 giving her at least three working days notice.
